on how to improve Downtown Lemon
Grove? (Optional)**

1	Stop allowing trailer parks with known felons to reside in and stop bringing into our town the lowest class of people who only tear down what is attempting to improve our city. Building by the trolley is a great idea but to mix the type of people living in those high rises is counter productive to a safe environment to elderly and the poor of health. If you offer one building to thugs and next door to those handicapped, it does not create a safe place, nor an acceptable attraction for young families to want to live in Lemon Grove.	9/4/2016 10:46 AM
2	The trailer park on North Avenue is an eyesore and attracts residents of questionable character.	8/30/2016 10:58 AM
3	More parking and control the homeless community around trolley station and bus stop area, it is getting out of control.	8/4/2016 6:42 PM
